By Dr Ronald D Pickard

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.As a child, I knew my parents loved God and wanted to do all they could to bring people to Christ. They provided an example of what Godly parents do for their children. They raised their children based on what God expected them to do. There were times when they disciplined their children for doing something wrong. This discipline helped me feel secure and safe in their family. It helped me have a positive image of how a Heavenly Father loves his adopted children. This book is a compilation of snap-shots of my life. They are examples of what I experienced as a child of Godly parents. Although my parents were not wealthy, they always felt that God would take care of them when they trusted him. They faced many concerns in parenting the same as most parents, but those concerns were always taken to God in prayer. I feel blessed to have Godly parents.
