Enslaved and separated from everyone he knew and from his own dragon brothers, he was forced into exile in a fey realm where he lost the only thing he ever really loved. Now he has a chance to regain what s been lost - to have the one thing he covets most. But only if he gives up his brothers and forsakes the oaths he holds most dear. Yet what terrifies him most isn t the cost his happiness might incur, it s the fact that there is just enough human in his dragon s heart that he might actually be willing to pay it and betray everything and everyone - to see the entire world burn . . .
