It is one of my personal favorite publications. Indeed, it is actually perfect, still an amazing and interesting literature. It has been printed in an exceptionally easy way which is merely soon after I finished reading this book where it really altered me, changing the way I believe.

ANOMALIST BOOKS, 2013. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Governments around the world have had to deal with the UFO phenomenon for a good part of a century. And it explains why one government, the United States government, deemed it wise, and perhaps even necessary, to treat it so. Though the book focuses primarily on the U. S. government s response to the UFO phenomenon, also included is the treatment of the subject by the governments of Sweden, Australia, France, Spain, and other countries. This large-format, fully illustrated book is the result of a team effort that called itself The UFO History Group, a collection of veteran UFO historians and researchers who spent more than four years researching, consulting, writing, and editing to present a work of historical scholarship on government response to the UFO phenomenon. Michael Swords was the primary author of the United States chapters. The work was coordinated and edited by Robert Powell. Clas Svahn, Vicente-Juan Ballester Olmos,...
