## HALF OF A MAN AND A PIECE OF ME

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 66 pages. Dimensions: 9.0in. x 6.0in. x 0.1in. In school, you learn about blood vessels and veins, and the intricate anatomy of the heart. But how is it that so many people continue to live, even after their hearts are repeatedly broken? It turns out, that pumping organ in our chests isn't as fragile as it may seem. In fact, much of the first-hand experience required getting back on track and finding your way to a healthy relationship can be found in examining and evaluating your past relationships, as full of heartbreak as they may be. There is a certain wisdom that can be found in those who have faced a lifetime of trials and tribulations, one that no amount of studying or any college degree can replace. This is the theory behind *Half of a Man and a Piece of Me*, a candid work in which author Holly Smith-Lindsey shares her personal reflections about past relationships, and what she has learned in the process of becoming who she is today. Part autobiography and part self-help guide, the author shares her valuable insights based on years of good, bad, and ugly experiences in romantic partnerships and the world of dating. From life as a teenage mom, to years of casual relationships, to on-again-off-again and abusive situations, many readers will find that they can identify personally with the subjects addressed in this highly personal work. In addition to Smith-Lindsey's own stories, you will also read the first-hand accounts of several other women, each sharing the wisdom they have gained from their unique relationships and situations. Full of hilarious, thought-provoking, and deeply emotional situations, the author herself recommends slowing down to savor and digest every word of this unique relationship guide....
