I know nothing about English shillings, nor English anything, nor I don t want to. I thought, under all the circumstances, and from the appearance of the brute, it might be imprudent to extol or explain their value, and therefore I cast one longing, lingering look be hind at the red herrings in the barrel, and turned the corner of the street, where I encountered two young men picking their teeth, for which. I have never forgiven them. The feelings created by the war with England, then long since over, was still rankling in the minds of the lower order of Americans, as if it were yet raging, and their hatred of an Englishman they look a pride in showing whenever in their power. In every quarrel, domestic or national, it will always be found that the conqueror is the last to forget, and generally the last to forgive. The language necessarily used in boasting of success rekindles the fury of a fire the dews of peace should always quench. In England it had ceased to be spoken of, or even alluded to. But, it must be acceded, a war there, or in any monarchical government, creates very different feelings (if any at all) from the one spirit which actuates a free and sovereign people, whose lives, whose fortunes, and whose sacred honour were pledged by their fathers to defend their homes and liberty, and whowith one accord exclaim, United we stand, divided we fall....
