Humanix Books, 2016. Hardback. Condition: New. Language: English . Brand New Book. Dr. Winn s story is remarkably open, unguarded and intimate. I believe that almost any physician, staff member, patient, patient family member or friend will come away with new insights and understanding after reading this moving memoir. --Frederick R. Life with cancer, a devastating disease for any patient and family, is a constant struggle and fight for survival that demands that you learn to live through the entire day, each hour, and every minute. Night Reflections chronicles an inspirational story of courage, love, devotion, struggle, and ultimately triumph. Night Reflections...
