Createspace Independent Publishing Platform, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The White Slave Trade - White Slavery in the Barbary States by Charles Sumner. History has been sometimes called a gallery, where, in living forms, are preserved the scenes, the incidents, and the characters of the past. It may also be called the world's great charnel house, where are gathered coffins, dead men's bones, and all the uncleanness of the years that have fled. As we walk among its pictures, radiant with the inspiration of virtue and of freedom, we confess a new impulse to beneficent exertion. As we grope amidst the unsightly shapes that have been left without an epitaph, we may at least derive a fresh aversion to all their living representatives. In this mighty gallery, amidst a heavenly light, are the images of the benefactors of mankind-the poets who have sung the praise of virtue, the historians who have recorded its achievements, and the good men of all time, who, by word or deed, have striven for the welfare of others. Here are depicted those scenes where the divinity of man has been made manifest in trial and danger. Here also are those grand incidents which attended the establishment of the free institutions of the world; the signing of Magna Charta, with its priceless privileges of freedom, by a reluctant monarch; and the signing of the Declaration of Independence, the annunciation of the inalienable rights of man, by the fathers of our republic.
