This lyrical retelling of the traditional Christmas story serves as a plea for greater compassion and unity in our contemporary world. Peace and goodwill are values celebrated during the holidays, but they should also be applied to the daily struggle of those traveling over land and sea in search of hope and sanctuary. This simple nativity narrative urges readers to recognize the value of every child, and to respect our shared responsibility for all the members of our global community. Esta reelaboracion de la historia tradicional de Navidad nos llama a una mayor compasion y unidad en nuestro mundo contemporaneo. La paz y la buena voluntad son valores que se celebran durante estos dias de fiesta y que tambien deben aplicarse a la lucha diaria de aquellos que viajan por mar y tierra en busca de esperanza y refugio. Esta sencilla narrativa navidena insta a los lectores a reconocer el valor de cada nino y a respetar la responsabilidad que compartimos para con todos los miembros de nuestra comunidad global.
