

## Studies in the Medicine, of Ancient India Osteology or the Bones of the Human Body, Vol. 1 (Classic Reprint) (Paperback)

By A F Rudolf Hoernle

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Studies in the Medicine, of Ancient India Osteology or the Bones of the Human Body, Vol. 1 Another object of the present treatise is to vindicate the true form of the osteological summaries of Gharaka and Sus mta. The former is at present in imminent peril of total displacement and oblivion in favour of a well-meant but very ill-considered substitute, to which the otherwise meritorious first edition of Charaka s Compendium by Gangadhar has given general currency. But in this matter Indian medical history is only repeating. Itself. For, many centuries ago, the same misfortune overtook the osteological summary of Sus ruta, the true form of which is now totally lost from all manuscripts owing to its supersession by a falsified substitute which gained general acceptance through the great authority, apparently, of Vagbhata I, who once held a position in India somewhat analogous to that of Galen in the mediaeval medicine of the West. At a very early period in the history of Indian Medicine, owing to the ascendancy of Neo-brahmanism, which abhorred all contact with the dead, the practice and...
