The New Press, United States, 2011. Hardback. Book Condition: New. 211 x 142 mm. Language: English . Brand New Book. In Tide Players, acclaimed New Yorker contributor and author Jianying Zha depicts a new generation of movers and shakers who are transforming modern China. Through half a dozen sharply etched and nuanced profiles, Tide Players captures both the concrete detail and the epic dimension of life in the worlds fastest-growing economy. Zhas vivid cast of characters includes an unlikely couple who teamed up to become the countrys leading real-estate moguls; a gifted chameleon who transformed himself from Maos favorite barefoot doctor" during the Cultural Revolution to a publishing maverick; and a tycoon of home-electronic chain stores who insisted on avenging his mother, who had been executed as a counter-revolutionary criminal." Alongside these entrepreneurs, Zha also brings us the intellectuals: a cantankerous professor at Chinas top university; a former cultural minister turned prolific writer; and Zhas own brother, a dissident who served a nine-year prison term for helping to found the China Democracy Party. Deeply engaging, lucid, and poignant, Zhas insightful insider-outsider" portraits offer a picture of a China that few Western readers have seen before. Tide Players is essential reading for anyone seeking to understand todays China.
