## GLIMMERS (PAPERBACK)

Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.For thirty-something years, Paige thought memories existed only in the past, but now she knows better. She can't explain how or why, but special moments exist inside beloved trinkets - clinging to a letter, a ring, even a worn-out pair of boots. With a simple touch of a cherished token, Paige can relive someone else's memory, see the world through her eyes, and feel her deepest emotions. When Paige returns from each event, or glimmer, a small part of her has changed. Who is this gourmet cook, fashion designer, feisty lover? And how can she explain all of this to her family without their assuming she's lost her mind? Paige thinks her new talent is a gift . until she's transported into her sister's memory and catches a glimmer of her secret life. QUANTUM LEAP meets THE NOTEBOOK meets BRIDGET JONES'S DIARY meets PRIDE AND PREJUDICE when Paige witnesses true love through the eyes of three extraordinary women. Awards include silver-medal winner in the Global Ebook Awards 2013, first place in the eLit Book Awards 2013, runner-up in the New York Book Festival 2012, finalist in the Prize Writer Competition 2015, and finalist in the Kindle Book Reviews Best Indie Books of 2013. Editorial Reviews I recommend this book to anyone who likes unusual stories about courageous women. The story begins with a hint of suspense about the symbolism of things and events in Paige's life. This book would appeal to women of all ages and men who are sensitive enough to appreciate intuitive females. -Judge 19, 20th Annual Writer's Digest Annual Self-Published Book Awards More books by Barbara Brooke: Coming Beyond Glimmers (Book Two).
