Excerpt from Pork-Production: With a Chapter on the Prevention of Hog Diseases In its preparation the author has sought and received many facts and suggestions from hog men, commission salesmen, experiment station workers, packing-house Officials, and animal husbandry teachers, without which the book in its present form would not have been possible. For the help thus received he wishes to express grateful acknowledgment. For much of the data presented in chapter five he is indebted to W. J. Carmichael formerly Of Illinois University and now secretary of the National Swine Growers Association.
