## BATTLE OF CHOSIN RESERVOIR

To read **Battle of Chosin Reservoir** eBook, make sure you follow the link below and download the ebook or have access to additional information which might be in conjunction with BATTLE OF CHOSIN RESERVOIR book.

Alphascript Publishing. Taschenbuch. Condition: Neu. Neuware - The Battle of Chosin Reservoir, also known as the Chosin Reservoir Campaign or the Changjin Lake Campaign, was a decisive battle in the Korean War. Shortly after the People's Republic of China entered the conflict, the People's Volunteer Army 9th Army infiltrated the northeastern part of North Korea and surprised the US X Corps at the Chosin Reservoir area. A brutal seventeen day battle in freezing weather soon followed. In the period between 27 November and 13 December 1950, 30,000 United Nations troops under the command of Major General Edward Almond were encircled by approximately 60,000 Chinese troops under the command of Song Shi-Lun. Although Chinese troops managed to surround and outnumber the UN forces, the UN forces successfully broke out of the encirclement while inflicting crippling losses to the Chinese. The evacuation of the X Corps from the port of Hungnam marked the complete withdraw of UN troops from North Korea. 176 pp. Englisch.
