By Amy Hest

Down in the 86th Street subway station, a plaque bears the name Jamaica Louise James, age 8. Who is Jamaica and what did she do? With pictures as spunky as Jamaica Louise James herself, Amy Hest's inspiring tale reveals how important just one person--even someone aged eight--can be.

The ebook is great and fantastic. We have read and i also am sure that i am going to likely to go through once again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.
