On Demand Publishing, LLC-Create Space, 2017. Paperback. Condition: New. Katelyn Walters (illustrator). Language: English . Brand New Book. Incidents of mass violence are not new and are unfortunately not rare, yet our avoidance of these realities is quite common. If we don't acknowledge this truth about the violence present in society today, how can we be prepared to face it? This book takes a true look at what your options are for dealing with an active shooter event. Across the United States, businesses, schools, and communities may provide a video to watch or brief presentation to attend on dealing with active killers, often with the message of run, hide, fight, but the training generally stops there. This book endeavors to instruct you on all aspects of responding to an active shooter situation. You'll learn about planning, evading, and finding a secure place to barricade or cover, along with unarmed fighting, considerations for using a defensive weapon, how to give life-saving medical care, how to interact with law enforcement, how to cope with the aftermath, and where to begin your training. It's a guide to preparing yourself and those you care about for these events, but it's only the first step. What you do with the information is up to you. Your safety is your responsibility! Aaron Jannetti is the owner of Endeavor Defense and Fitness in Columbus, OH. His team teaches unarmed and armed self-defense, as well as strength and conditioning. He holds black belts, instructor diplomas, and numerous certifications and has traveled the US teaching active shooter response at universities, businesses, and...
