Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Blue Bird: Souvenir Book Out of all the myriads of birds that fly through the sky there is one bird, blue as the sky itself, and this bird, the fairies tell us, brings to its possessor that which is most desired - in fact, it is the secret of happiness. It is more difficult to catch than any butterfly you ever saw, and just when you are surest of being able to lay your hands on it you are quite likely to find that it is far away. So she hobbled in on Christmas Eve, and sent Tyltyl and Mytyl to search the world over until they should find the marvelous bird that was to cure the little sick girl. Of all the sights they saw and the things they did on this wondrous quest we are told in a play called after the bird itself; and if you like fairy adventures you had better ask the one among all your relatives who tells the nicest stories, and seems generally to understand the really interesting things in life, to take you to the play, where you will actually see what happened...
