Xio Axelrod LLC, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. As a nineteen-year-old, wunderkind doctoral candidate, Ian Waters had little interest in social interaction. Books were his companions, and that had suited him just fine. Then a hurricane named Jessen Sorensen blew into his life, throwing Ian off his axis. On the cusp of rock stardom, Jessen had burned brightly, and Ian had fallen heart-first under his spell. But Ian soon learned he was only a temptation, a pit stop on the road to the rocker's dreams, and Jessen was gone as quickly as he'd come. Ian buried his heartache in academia, the only home he'd ever known. When Ian encounters Jessen at a party, the seven-year separation seems insurmountable. There's too much pain, too much distrust. But Jessen declares he has a new dream, and that's a life with Ian.
