Filesize: 4.37 MB

Reviews

It is just one of the best publications. This can be for anyone who states that there was not a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Tara Jerde)

Forgotten Books. Paperback. Condition: New. This item is printed on demand. 248 pages. Dimensions: 9.0in. x 6.0in. x 0.5in. Excerpt from Economic Sophisms Bastiat's two great works on Political Economy - the *Sophismes conomiques*, and the *Harmonies conomiques* - may be regarded as counterparts of each other. He himself so regarded them: the one, he says, pulls down, the other builds up. His object in the *Sophismes* was to refute the fallacies of the Protectionist school, then predominant in France, and so to clear the way for the establishment of what he maintained to be the true system of economic science, which he desired to found on a new and peculiar theory of value, afterwards fully developed by him in the *Harmonies*. Whatever difference of opinion may exist among economists as to the soundness of this theory, all must admire the irresistible logic of the *Sophismes*, and the sallies of wit and humour, which, as Mr Cobden has said, make that work as amusing as a novel. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works. This item ships from La Vergne, TN. Paperback.
