Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Inauguration Ceremonies, March 4, 1909 As was natural from his ancestry and surroundings Mr. Taft became actively interested in political affairs as soon as he was admitted to the bar; but his leaning toward, and taste for, the law were very strong, and he had no idea of following any other than a legal and judicial career. He served on the State bench of Ohio, and was appointed Solicitor General of the United States by President Harrison. In both positions he attracted the attention of all who were brought in contact with him, by his power of thought and of statement. As Solicitorview he established permits the prevention oi that cruel practice which puts upon the most helpless the whole burden of injury received because of the risks inevitable in certain employ ments. These two decisions meant much from the standpoint of the wise use of the National power, for they meant that the National power could be used on the one hand to securejust treatment for labor, and on the other hand to secure adequate control over the vast aggregates of corporate capital through which modern business is done. But Judge Taft was exactly as fearless in dealing with labor when it went wrong as in controlling capital when it needed control. When the country was convulsed from one end to the other with riot and violence, when every time-serving politician was bending like a reed before the blast of agitation, Judge Taft, as fearless physically as morally, upheld order and repressed the violence of mobs, by the wise and proper use he made of the great power of injunction. After the Spanish War President mckinley appointed Mr. Taft..
