Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. . .And now for something completely different. Reaching through time and dimensions from a place no longer with technology, electricity or modern conveniences The Zombie Gardener teaches us some simple down to earth methods on how to create, maintain and preserve a post-apocalyptic garden. The series will take you from seed to harvest using Old World methods on crops that this off-grid world could not survive without. Interwoven with stories from a time yet to come, The Zombie Gardener also includes survival tips, prepping hacks and even recipes from a future that someday could be ours. In book one The Zombie Gardener teaches us how to grow what he feels are some basic crops every garden should have in order to create a sustainable life after the world shuts down. From harvesting the simple potato, to seeding a carrot for future crops, he walks us through with step-by-step instructions to increase our success of having enough food stocks to get through the winter.
