I get a thrill from saving money in unique and little-known ways. I don't know why I enjoy it so much, maybe it's because I'm from a frugal family of savers or possibly I'm just tired of getting nickel-and-dimed endlessly by banks, airlines and the like, attempting to maximize their profits by adding-on as many ridiculous fees as they can get away with. Whatever the reason, I'm constantly on the lookout for ways to save big money and I've compiled some great tips in this book.
