Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.One year, for Christmas, I bought my wife a sewing machine. She nearly threw it at me. I offered her a \$200 gift card in exchange for the machine, I d get to keep it. She agreed. I taught myself how to sew, started using the power of the internet to start a profitable home-based sewing business, and today, well, I have made a lot of money from that sewing machine (a lot more than \$200.lol). It is funny how one mistake can turn out to be a whole new career path for someone. This was the case with the sewing machine. I love sewing and it is a great way for me to relax and still make a sizeable monthly income. This book teaches you how to turn your passion for sewing into profits beyond measure. Even is you are an inexperienced sewer or someone who just happens to have a random sewing machine laying around your house, you can instantly start an at-home business that could quite literally replace your income, possibly retiring you. Grab a copy of this book and start making money with your machine!.
