Dzanc Books, 2010. Paperback. Condition: New. Language: English . Brand New Book. Dawn Raffen's stories are like prismatic drops of rain, hanging from the edge of a roof or sliding down a windshield, reflecting an entire world within. The language of motherhood, of adulthood, of childhood -- the language of family and individual -- has never been like this. Sly and probing, with the sting of precision and pain. --Susan Straight In Dawn Raffen's *Further Adventures in the Restless Universe* the oppressive truth of our mortality unsettles but does not vanquish the spirit. The woman as drudge may be a failure at folding, but she is a rare songmaker whose dialogues with a son, a sister -- the usual figures from the family romance -- make for a musical and philosophical call and response. The son proposes one way to keep birds from crashing into fatally clear windows is to open the windows all over the world. These stories promise more life. Take them to heart! --Christine Schutt When Dawn Raffen was a very small child, her father used to read to her nightly from *The Restless Universe*--a layman's guide to physics by the Nobel Laureate Max Born. Although she loved the time spent with her father, she didn't--despite his statements to the contrary--comprehend a word of the physics. It was her first recognition that love so often comes with imperfect understanding. The 21 stories in *Further Adventures in the Restless Universe* are about fathers, daughters, mothers, sisters, husbands, wives, strangers, lovers, sons, neighbors, kings, death, faith, astronomical phenomena, and the way the heart warps time. Of her previous work, one reviewer stated, Raffen takes conventions and smashes them to bits and another called it extreme literature. Of *Further Adventures*, *Publisher's Weekly* says, Raffen s...
