FranklinCovey Style Guide: For Business and Technical Communication can help any writer produce documents that achieve outstanding results. Created by FranklinCovey, the world-renowned leader in helping organizations enhance individual effectiveness, this edition fully reflects today s online media and global business challenges. The only style guide used in FranklinCovey s own renowned Writing Advantage™ and Technical Writing Advantage™ programs, it covers everything from document design and graphics to sentence style and word choice. This edition s many improvements include extensive new coverage of graphics, writing for online media, and international business English. Through dozens of examples and model documents, writers learn how to overcome writer s block and efficiently create documents from start to finish. FranklinCovey s experts show how to get powerful results from every email; add distinctiveness and power to any online presence; write far more effective proposals, letters, memos, reports, and resumes; and improve all forms of documentation, from business procedures to highly technical content. You ll learn how to quickly discover and prioritize the information you need, whether you re planning a presentation, leading a meeting, or managing a project. The authors reveal how to design visuals that communicate messages instantly and intuitively, and use charts, color, illustrations, maps, photos, and tables to supercharge any presentation. Packed with up-to-the-minute examples, this A-Z guidebook can help you write more effectively no matter who you are - whether you re a business or sales professional who must motivate and persuade, a technical professional who must explain challenging content more clearly and accurately, or a student who needs stronger writing skills to succeed in school and in your career.
