BEGINNING F#

Paperback. Book Condition: New. Paperback. 448 pages. Functional programming is perhaps the next big wave in application development. As experienced developers know, functional programming makes its mark by allowing application builders to develop solutions to complicated programming situations cleanly and efficiently. A rich history of functional languages, including Erlang and OCaml, leads the way to F, Microsofts effort to bring the elegance and focus of functional programming into the world of managed code and .NET. With Beginning F, you..
