CAC Publishing, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Finally, a book that peels back the true nature of failure and uncovers the inextricable relationship between failure and success. It shows you chapter after revealing chapter how to not only embrace failure but how that failure creates a trajectory forward. This results in the need to fail fast, before getting too far in the game; fail often so that you learn more about your task; and, fail big. The book reveals the implementation of the FSG, failure-success-greatness matrix. It highlights how great achievers view success and how they used failure to their benefit every single time. With failure they not only elevated themselves, they took humanity to greater heights with them. This book shows you the nature of failure, exhibits the path to success and shows you how greatness is achieved. You just need to learn to believe in what s in you. Believe in your greatness but don t get carried away by it and don t gloat about it. Tuck that knowledge deep inside and allow it to smolder. Nurture it till it advances to a flame. Allow it to infect all things you do, then nurture it more till that flame becomes a blaze and your successes seem superhuman to lesser minds.
