TWENTY-FIVE YEARS IN A WAGGON: SPORT AND TRAVEL IN SOUTH AFRICA (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Twenty-Five Years in a Waggon: Sport and Travel in South Africa Tories were to our border, which must affect politically and socially the different nationalities that are so widely spread over all the southern portion of Africa. With these advantages to be attained, it was necessary that some step should be taken to explore these regions, open up the country, and correctly delineate its physical features, and, if time permitted, its geological formation also, and other information that could be collected from time to time as I proceeded on my work. Such a vast extent of country, containing square miles, cannot be thoroughly explored single-handed under many years labour, neither can so extensive an area be properly or intelligibly described as a whole. I have, therefore, in the first place, before entering upon general subjects, deemed it advisable to describe the several river systems and their basins in connection with the watersheds, as it will greatly facilitate and make more explicit the description given as to the locality of native territories that occupy this interesting and valuable portion of the African continent, in relation to our South African colonies. And, secondly, to describe separately each native state, the latitude and longitude of places, distances, and altitudes above sea-level, including those subjects above referred to. All this may be considered dry reading. I have therefore introduced many incidents that occurred during my travels through the country from time to time. To have enlarged on personal events, such as hunting expeditions, which were of daily occurrence, would have extended this work to an unusual length, therefore I have taken extracts from my journals to make the book, I trust. About the Publisher...
