## THE COLLEGE ESSAY TRAP (2017-2018 EDITION): RESCUE YOUR COLLEGE APPLICATION ESSAY FROM THE MAYBE PILE.

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 74 pages. Dimensions: 8.0in. x 5.2in. x 0.2in. Its easy to find advice on the college application essay. In this book, however, youll get advice that is much more valuable. Youll learn about the most common mistakes applicants make when writing their college essays. Youll learn about topics and writing styles that seem alluring, or even expected, but will actually hurt your chances of acceptance. By learning about these common mistakes, youll learn how to write a truly unique essay that will convey to college admissions officers who you really are as a person (which is all they really want). Youll learn how to set yourself apart from all the other applicants, and how to show admissions officers exactly why you belong at their school. Written by an Ivy League grad, private college counselor and one of the co-founders of Collegica. com, The College Essay Trap is required reading for applicants who are serious about getting into the colleges on their list. A remarkably useful short book to read and keep handy. The College Essay Trap offers as nifty and insightful a set of advice as Ive come across. As someone who has read tens of thousands of such essays over the years, I found my self nodding in strong agreement with each trap Nichols describes and how best to avoid it. - Fred Hargadon, Former Dean of Admissions at Princeton, Stanford and Swarthmore. This item ships from La Vergne, TN. Paperback.
