Human Kinetics Publishers, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Lesson Planning for High School Physical Education provides standards-based, ready-to-use lesson plans that enhance student learning and help students become physically literate. Designed to complement the successful elementary and middle school books in the series, this book also provides guidance on how to plan effective lessons that align with SHAPE America's National Standards and Grade-Level Outcomes for K-12 Physical Education. Lesson Planning for High School Physical Education is written by master teachers and edited by SHAPE America. In this book, you'll find: - More than 240 lesson plans that provide deliberate, progressive practice tasks and integrate appropriate assessments to evaluate and monitor student progress - Innovative and unique modules on topics such as fly fishing, rock climbing, line dance, yoga and stress management, and more, as well as more traditional modules - Introductory chapters that present the key points for the grade span, putting the lessons in context and providing teachers and PE majors and minors a clear roadmap for planning curricula, units, and lessons - Lessons that reflect best practices in instruction, helping teachers enhance their effectiveness - Expert guidance in delivering quality lessons that are designed to reach objectives and produce outcomes, and not just keep students occupied The lessons correspond to each category in SHAPE America's National Standards and Grade-Level Outcomes for K-12 Physical Education, and are sequential and comprehensive--you get complete, ready-to-use units and not just individual lessons that don't connect. The lessons include resource lists, references, equipment lists, and student assignments. The accompanying web resource offers easy access to printable PDF files of the lessons. Your administrator will be able to see at a glance that the lessons in the book are designed to meet the...
