Ronin Publishing. Paperback. Book Condition: new. BRAND NEW, Dr. Atomic's Marijuana Multiplier (2nd Revised edition), Adam Gottlieb, First published in the early 1970s, Dr. Atomic's Marijuana Multiplier demonstrates the playfulness characteristic of those long gone times. Larry Todd's Dr. Atomic, a well-loved underground character, walks the reader through the process of turning low-grade weed into high-quality smoke. With today's advanced growing techniques and high-grade seeds, most indoor marijuana provides a powerful smoke without Dr. Atomic's stove-top process. Dr. Atomic's Marijuana Multiplier is adult literature and not for children. The solvents used can be explosive and the reader is cautioned that it is offered as a historical novelty and archive of underground culture and not a recommended how-to process. Nonetheless, marijuana enthusiasts will find Dr. Atomic's amusing manual a unique addition to their library.
