WOLFHAVEN: THE DUALITY SERIES - BOOK 1 (PAPERBACK)**DOWNLOAD**

Junction Publishing, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.For three generations, an uneasy truce has existed between the shapeshifter packs of Wolfhaven and Silver Ridge. But Equinox is fast approaching; and all is about to change. Connell, grandson of Wolfhaven's chief, is hungry for adventure; and eager to explore the world beyond the boundaries of where he grew up. Is this a plan set for failure? Only Lupa, Goddess of Wolves, can know; for it is she who bends destiny to her will. Thayer, heir apparent and Connell's older brother, has found love with Lena - Mistress of the Moon - and daughter of Silver Ridge's alpha. Yet, the course of true love never runs smooth. Lena is matched to another. A wolf of her father's choosing. Fierce and strong, Kellan is Arden's second and will make the perfect mate. If only Lena wished it. Silver Ridge, a world of zealotry and submission, is no place for a freethinking female. Especially not one, whose lover whispers of a world beyond her father's reach. Will Connell's dreams of freedom and adventure be thwarted, as Thayer and Kellan challenge for the right to claim Lena as their own? Or will Lena resolve to put the traditions of her pack and the demands of her father over those of her own heart? What people are saying about Wolfhaven: I wasn't sure if I was going to enjoy this book or not. Wolves that change into humans and vice versa was, in my humble opinion, a little too far fetched, but how wrong was I? Within the first few pages I was completely sold. The author has a beautiful way with words, not overly descriptive, but enough to...
