Handcrafted Metal Findings: 30 Creative Jewelry Components

By Denise Peck, Jane Dickerson

Interweave Press Inc. Paperback. Book Condition: new. BRAND NEW, Handcrafted Metal Findings: 30 Creative Jewelry Components, Denise Peck, Jane Dickerson, Metalsmiths reveal new findings in jewelry trends! Following up their best-selling book Handcrafted Wire Findings, Denise Peck and Jane Dickerson give jewelers more techniques, more (and different) findings, and more inspiration. Handcrafted Metal Findings features 30 step-by-step tutorials for metal findings that require only basic jewelry-making skills. Working with precut metal blanks and thin-gauge sheet metal, Denise, Jane, and several contributing artists have created great-looking findings-head pins, bead caps, bails, charms, connectors, cones, and more-all without a lot of effort. All the metalwork can be done with basic tools-no saws, no flex shaft, no oxy/acetylene tanks. Metal pieces are hole-punched, dapped, hammered, textured with stamps and tools, colorized, oxidized, and patinated. Construction techniques include simple soldering with a micro torch and cold connections such as riveting. Finished gallery pieces that incorporate some of the findings provide additional inspiration in this inspiration- and information-packed book.
