BRILLIANCE AUDIO, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Jonathan Davis is the perfect narrator for the main character of this audiobook, a man dead set on fame and glory. Davis narrates the protagonist s dark thoughts with harsh cadences that jut out of a usually cold and deadpan voice. The Walk up Nameless Ridge is science fiction, set on the remote planet Eno, where a mountain twice the height of Everest remains to be climbed. Listeners will be on the edge of their seats as our protagonist s insatiable appetite for stardom lets him stop at nothing - not even murder - to conquer this mountain. The audiobook is both a gripping adventure and an acute look at what kind of evil men are capable of.
