Reviews

Extensive information! Its this type of excellent study. I have read and i am sure that i will gonna go through yet again once more down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Cornerstone, United Kingdom, 2014. Paperback. Book Condition: New. 198 x 131 mm. Language: English . Brand New Book. You can do anything in Hollywood and be forgiven, anything except grow old. It's the 1930s and cinema stands at the dawn of a new age, the silent era is all but dead, talkies are here and Technicolor is on its way. The whole world loves movie icons Frank Noyland and Elizabeth Sasdy, lapping up each new picture and following their romantic life story both on and off the screen. But all is not as perfect as it appears. Not only has the advent of talkies meant torturous sessions with a vocal coach to try and remove Sasdy's Hungarian accent but she's starting to spot the first few grey hairs, and the lines on her face get deeper every day. If she loses her looks she'll lose everything, but even a woman as powerful as Elizabeth Sasdy can't fight nature. Can she? A chance accident reveals the solution. But just how far is the Queen of Hollywood prepared to go to stay beautiful forever?
