SADDLE, SWORD, AND GUN: A BIOGRAPHY OF NATHAN BEDFORD FORREST FOR TEENS (HARDBACK)

DOWNLOAD

Sea Raven Press, 2016. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In this small but information packed book, Saddle, Sword, and Gun, Forrest scholar and relative Colonel Lochlainn Seabrook takes an inside look at the fascinating life story of Southern hero Confederate General Nathan Bedford Forrest. Written for teens and young adults (ages 13-18), Colonel Seabrook restores the legacy of one of American history s greatest figures - a legacy tarnished by 150 years of Yankee lies, slander, and anti-South propaganda. Your son or daughter will ride along with Forrest, getting a firsthand look at his childhood in Tennessee, his teens in Mississippi, his marriage and children, his multimillion dollar businesses, the start of the American Civil War, his enrollment in the Confederate army, and his rise to fame as a daring and successful Rebel officer. They will thrill to the dramatic descriptions of General Forrest s exploits on and off the battlefield as he and his courageous cavalry (which included sixty-four black Confederate soldiers) fought their way across the South defending hearth, home, honor, and the constitutional right of self-government. In the process they will discover why the General s men loved and respected him, why the Southern people looked up to him as their Spiritual Comforter, and why he freed his slaves years before Lincoln issued his fake and illegal Emancipation Proclamation. After Lincoln s War they will follow Forrest as he rebuilt his life from scratch, and helped the South regain her political power and dignity during the Yankees cruel and vindictive Reconstruction period. Finally they will learn how the great Confederate chieftain lived out his last years campaigning for black civil rights and working to heal the physical and emotional wounds left by the War for Southern Independence. Along the...
