

Applied Electricity for Practical Men (Classic Reprint) (Paperback)

By Arthur John Rowland

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Applied Electricity for Practical Men This volume has been in the process of making during twenty years experience in teaching Applied Electricity to practical electrical workers; to men who expect to make direct application of the principles given them in the class room to their daily work with commercial circuits and machinery. It is written wholly from the standpoint of the one who puts up and operates electric circuits and apparatus. It does not touch problems of apparatus design. Pure theory is avoided, except as it has direct bearing upon practical matters. The principles stated and the explanations of apparatus which are offered are only such as are necessary in order to present essential elements. They can be elaborated by the instructor as much as he may see fit. Every teacher understands the importance of numerical problems in order to make clear the principles and performance of apparatus. It is with this in mind that the set of problems found at the end of each chapter has been made up. Even though the computations demanded in the solution of...
