Rangel (D., N.Y.), Chairman, Subcommittee on Select Revenue Measures, Committee on Ways and Means, U.S. House of Representatives, today announced a public hearing on tax issues affecting the health and safety of residents of inner-city and other distressed neighborhoods in this country, and on other miscellaneous health-related tax issues. A specific date for the hearing will be announced in a subsequent press release. In announcing this hearing, Chairman Rangel stated: Residents of distressed neighborhoods in this country face severe and relatively unique threats to their well-being on a daily basis because of the difficult health and social problems confronting these neighborhoods. The Subcommittee is holding this hearing to focus attention on these problems and on possible ways to ameliorate them through the use of the tax laws. In particular, the Subcommittee is interested...
