This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Abraham Lincoln s November 19, 1863, Gettysburg Address is generally recognized as one of the greatest leadership speeches ever written. The Ultimate Guide to the Gettysburg Address explains the 272-word speech more thoroughly than any book previously published. With the aid of colorized step-by-step diagrams, the authors deconstruct the speech into its basic elements and demonstrate how the scientific method is basic to the structure of the Gettysburg Address. Lincoln s fascination with geometry is well documented. Authors David Hirsch and Dan Van Haften, however , are the first to discover and then demonstrate Lincoln s use of the six elements of a proposition and then diagram and explain how his in-depth study of geometry helped him compose the Gettysburg Address. The result is a deeper and richer understanding of the Gettysburg Address that was not previously possible. This concise colour examination of one of our nation s most treasured and important speeches is perfect for all ages and especially for those interested in history, the use...
