## HELMAND: DIARIES OF FRONT-LINE SOLDIERS

Osprey Publishing. Paperback. Book Condition: new. BRAND NEW, Helmand: Diaries of Front-line Soldiers, Simon Weston, During their tour of Afghanistan in 2008, a number of soldiers kept personal diaries of their experiences, and now, for the first time, Osprey Publishing have collected them together to provide a gripping first-hand account of life in the front line in modern warfare. Although these soldiers were on the same tour, they all encountered different experiences, and so while the time frame is the same, their perspectives are inevitably different. Included here are the diaries of Lt John Thornton, who sadly lost his life just two weeks before the end of the tour, a Padre, a CO, a 2IC, and a member of Lt Thornton's section. With a narrative that pulls the diaries together and puts them in context, this book provides a chance to look at what changes when the men and women come home, and what they learned from the tour. The diary of Lt Thornton's brother, Ian, who is currently serving in Helmand, provides an example of the war 4 years on and provides further context to the original tour diaries.
