The once mighty Terran Confederation has been destroyed and the Earth has been lost. A sudden attack by a mysterious alien culture has scattered humanity to the farthest edges of the galaxy. All that remains of the citizens of Terra are refugees drifting without port in the endless vacuum of space. A cry for help from an alien prison ship alerts a cruise ship full of struggling passengers and one lone fighter pilot to the existence of a lost fleet that could mean safety for the ship and its remaining crew. But the mission doesn't go as planned. A new saga in science fiction begins as the civilian passengers and crew embark on an adventure across space to recover the lost children of Earth. They will face the ferocity of the invading aliens as well as the darkest souls they could ever have imagined. To restore the human race to their homeworld and return the galaxy to peace, the passengers and crew of the luxury cruise ship Terran Princess will battle the invading aliens, discover new allies among the strange races in the stars, and harden themselves on the forge of war and find their true destiny.
