King Henry VIII During the reign of Queen Elizabeth I, spy networks were a significant factor in Englands security for the first time in the nations history. Documents from that era reveal hints of the work of Englands agents at home and abroad, as well as the activities of foreign agents within the country. This was, of course, not the first time spies had been used. For as long as there have been nations, people have looked for ways to covertly gather information about each other. But in the 16th century, the information gathering and use of covert actions gained a level of organization and importance that had not previously been seen in Western Europe. The organization of spy networks and the monarchys perceived need for them can be traced back to the manner in which the Tudors came to power, and Henry VIIIs reign....
