Ebury Publishing. Paperback. Book Condition: new. BRAND NEW, Life After Death: The Book of Answers, Deepak Chopra, Dr Deepak Chopra, the world-famous pioneer in the field of mind-body medicine, addresses one of the fundamental questions of existence: what happens when we die? Drawing upon personal experience, the wisdom of ancient Vedic philosophy and state-of-the-art particle physics, Chopra helps us to overcome our fears about dying and to consider the fantastic possibilities that may await us in the afterlife. This is the book that Dr Chopra has been preparing to write his entire life. In it, he considers the theory that death is an illusion of the senses and that the soul survives in an ongoing spiral of refinement, ending in enlightenment. Thought-provoking exercises offer a first-hand experience of these and other ideas, helping you to make sense of your own spirituality whatever path you choose to follow, and offering you your very own map of eternity.
