Minor Pentatonic Avatar (Paperback)

By Chris Brungardt

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Extremely easy program for learning the minor pentatonic scale over the entire fretboard by memorizing only five shapes of four notes. This method blows away the traditional box pattern approach that many players use for the minor pentatonic scale, all for less than the price of a single private guitar lesson. If you re stuck in the pentatonic box, this book will get you out and have you flying over the neck in no time. Also covers fundamental aspects of music theory necessary for complete understanding of minor pentatonic scale development. Includes blank tab, standard notation, fretboard, and chord sheets for your printing pleasure. Never run out of stuff to write your ideas down on, again. 12 chapters, 38 pages.
