Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Take Your Poker Game To The Next Level With Poker Math! Are you new to poker? Have you been playing for awhile? No matter if you re a new beginner or you ve been at the tables for months now, you can take your game to the next level with poker math. It s not as difficult it seems. Once you learn these simple calculations, you ll be ready to dominate the competition and pile up more money. Look at what just a few people are saying about this book already: I ve read other books designed to simplify poker math and I ve counted outs, calculated pot odds, figured out my equity against a range - and gotten it all completely wrong because I didn t work it all out from every possible angle away from the table. After reading this book and doing the work involved, I have a confidence and knowledge at the table that I never had before. -Bibi This will make you a force at the tables, and your wallet will thank you. Besides, as...
