Tales of St. Mary s (Paperback)

By M D Roy Guyther

Xlibris, United States, 2005. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book written by J. Roy Guyther, MD.is intended for the sole purpose of entertaining the reader. It is not a scientific text, although it may reveal the philosophy of the writer about the practice of general medicine in a rural setting. It is nothing more and nothing less than a series of short stories depicting some fascinating encounters of an average country doctor in the last half of the twentieth century. This era has been called the golden age of medicine because of the many technologic and therapeutic advances achieved. Before 1940, diagnostic technology was limited chiefly by x-ray. This scientific achievement allowed physicians to detect certain abnormalities beneath the surface of the human body, but the skill of the physician in analyzing patient s problems remained with the four techniques of physical diagnosis: inspection, auscultation, (with stethoscope), Percussion and palpation (with the hand). The physicians best tool was his voice. careful questioning and listening gives the clue to most illnesses. The anecdotes herein are based on true stories. Names have been changed to protect the privacy and sometimes the...

Reviews

This pdf is amazing. I actually have go through and that i am sure that i will planning to read once again again in the future. You wont truly feel monotony at at any moment of the time (that's what catalogs are for regarding when you request me).

-- **Wellington Connelly**

Undoubtedly, this is the best function by any writer. This really is for those who statte there was not a really worth reading. Its been written in an exceptionally basic way which is merely right after i finished reading through this book by which really transformed me, change the way i really believe.

-- **Dr. Deonte Hammes DDS**
