OMEGA STUDIES (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Matt Guerrero is ready for the freedom that college brings: freedom from his family, and the pressures of being an omega in an alpha s world. So when the school assigns him an alpha mentor, he can think of nothing he wants less than a mandatory babysitter.no matter how hot the guy is. Derek Fisher just wants to play it safe after a serious mistake almost cost him everything last year, but it s hard to keep his head down when his assigned omega keeps making trouble. He s never been into guys before, but Matt is attractive, smart, and funny, and spending time with him is seriously distracting. Derek wants more, but giving in to his desires could put everything at risk all over again. When Matt uncovers a plot that could tear the school apart, he s all in--on fighting it, and on his relationship with Derek. Derek won t let him do it alone, but they ll have to fight the school administration and a ghost from Derek s past before they can be together the way Derek truly wants: as alpha and omega. This is a 57,000 word stand-alone steamy gay romance with lots of heat, non-shifter alpha/omega dynamics, and a happily ever after ending with no cliffhangers.
