In this experiential book, you will find a map to guide you as you pursue the Trinity as well. Accessing Kingdom Realms is not just theory or head knowledge where you only dream about what you can do; it s about learning how to step into all that YHWH has for us here on earth today. All that s required is a willing, God-sanctified imagination. Come up here! says a voice from heaven. Read about Del s encounters, then activate your imagination to step deeper into the presence of YHWH. Worship at the throne, dance with the Father, and step into that intimate place as only a son or daughter can do.
