By University Of the State of New York

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Minutes of the Ninth Annual Meeting of the New York State Examinations Board: Held at the University of the State of New York, Albany, December 5, 1914 It had, however, long been evident to many that European history, if it could be properly presented, was in its nature of more value to pupils in American secondary schools than the more narrow and intensive courses of ancient and English history. It was therefore decided to offer in the syllabus of 1910 a two-year course in modern European history as an alternative for ancient history and history of Great Britain and Ireland and so to arrange this new course that it would serve as an introduction to American history, after all the most important history for American pupils. In accord with this plan the syllabus of modern history included the European background of American history and the story of American explorations and settle ments; while the syllabus of American history was planned to begin with the Revolutionary period and continue, in the intensive field of American history, the study of modern history already begun....

Reviews

This kind of pdf is every little thing and taught me to looking forward and more. It is one of the most incredible book i have read. You wont truly feel monotony at whenever you want of your time (that's what catalogs are for about should you check with me).

-- Miss Amelie Fritsch DVM

Completely essential study ebook. This is for all those who statte there was not a well worth reading. I realized this book from my dad and i recommended this publication to find out.
