Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Millionaires and Kings of Enterprise: The Marvellous Careers of Some Americans Who Pluck, Foresight, and Energy Have Made Themselves Masters in the Fields of Industry and Finance In the United States of America there has been more real material progress during the last quarter of a century than in any other part of the world. It is there that we have to look for the men of enterprise and leading who have won the chief positions in the realms of industry, commerce, and finance. These men have been among the chief factors in the building up of the prosperity which has, after a fierce, impetuous, overwhelming struggle, given to their country unquestioned supremacy in certain important industries. They have been men of resource, genius, determination, and power. Such indomitable energy in money-making as their careers display has never before been witnessed; such fortunes as they have made have never before been equalled; such fairy tales of industrial greatness as they have lived are far more romantic than the imaginative stories of the Arabian Nights. It cannot fail, therefore, to be of interest to attempt to trace, as has been done in this volume, the life histories of the more remarkable of these men of our later day who have infused into the far-reaching resources of the New World the irresistible spirit of progress. They are, in a far greater degree than the statesmen, politicians, and generals, the makers of their country's prosperity - the moulders of its future. The author has had opportunities for a close investigation of the industrial situation in America; and, in presenting these Biographical Sketches, he has endeavoured to set..
