Caliber Comics, United States, 2017. Paperback. Condition: New. Seppo Makinen, Ray Snyder (illustrator). Language: English . Brand New Book ***** Print on Demand *****.Described as the X-Files meets Mission Impossible, a unique team of operatives, led by the mysterious Edgar Allan Raven, under the auspices of the organization called Raven, Inc., are brought together to investigate any and all cases of paranormal activity. Formed of both skeptics and believers alike, the team is often called in by local or government authorities when cases prove to be too bizarre, too unusual, or just plain unsolvable. Covering the entire spectrum of the unknown, from the supernatural to the dark side of man, Raven, Inc., searches for answers in areas that most people refuse to acknowledge even exists. Volume 2 collects issues 5-8. In this collected volume we learn the backstories of some of the Raven team. As well as come across a faith healer on the run from the government; investigate a computer virus, suspected from outer space, that has infiltrated a military base; and Amy, the Raven girl with extra sensory abilities, taps into a computer hack who has disrupted the U.S. Army's national defense system with deadly consequences. Presented are the creative talents of Gary Reed (Deadworld, Renfield), Craig Brasfield (MARVEL's Avengers, Spiderman), Avido Khahaifa (Saint Germaine), Frank Turner (MARVEL's Thor, Spiderman), Bill Nichols (Spike vs Dracula), Seppo Makinen (Sherlock Holmes), Ray Snyder (MARVEL's Doctor Strange, Avengers), Jim Alexander (DC's Birds of Prey), David Hill (Negative Burn), Jeff Lang (Dark Horse's Grendal, Star Trek), and David Boller (MARVEL's Spiderman, Ghost Rider). I don't think Caliber has published a weak issue to date. I think you'll be sticking with The Raven Chronicles for the long haul. - Tony Isabella, Tony's Tips, Comic...
